NEWS RELEASE

TIGER APPLIES TO CEASE TO BE A REPORTING ISSUER IN CANADA

Tiger Resources Limited (the "**Company**") (ASX:TGS) wishes to inform its shareholders that, further to its voluntary delisting from the Toronto Stock Exchange that was effective at the close of business on April 30, 2013, it has applied to the Ontario Securities Commission (the "**Commission**"), which is the securities regulatory authority in Ontario, the only Canadian jurisdiction in which the Company is currently a reporting issuer, for a decision that the Company is no longer a reporting issuer in Canada.

If the decision is granted, the Company will no longer be a reporting issuer in any jurisdiction in Canada. As a result, the Company will no longer be required to file financial statements and other continuous disclosure documents pursuant to Canadian securities laws. A decision by the Commission to permit the Company to cease to be a reporting issuer in Canada will not affect the Company's listing on the ASX or its reporting obligations in Australia. In this regard, Canadian resident security holders will continue to have access to all financial statements and other continuous disclosure documents required to be filed by the Company under Australian securities laws. Continuous disclosure documents of the Company as required by the policies of the ASX are available at www.asx.com.au.
